Job Posting:

The screenshot shows the 'Job postings' dashboard in the TalentFlow application. On the left is a dark blue sidebar with navigation links: Dashboard, Job postings (active), Applicants (23), Pipeline, and Compare. The main area is titled 'Job postings' and includes a search bar, filters for 'Open 5', 'Drafts 1', 'Closed 4', and 'All 10', and a 'New posting' button. It displays six job cards in a grid:

- Engineering Frontend Developer Intern**: 42 Applicants, Avg. fit score 81. Status: Open. Recruiters: RT, JL.
- Analytics Data Analyst**: 31 Applicants, Avg. fit score 74. Status: Open. Recruiters: RT.
- Design UX Design Intern**: 27 Applicants, Avg. fit score 77. Status: Open. Recruiters: JL, SA.
- Engineering Backend Engineer**: 58 Applicants, Avg. fit score 69. Status: Open. Recruiters: RT, SA.
- People HR Associate**: 19 Applicants, Avg. fit score 72. Status: Open. Recruiters: No recruiter.
- Marketing Marketing Coordinator**: 64 Applicants, Avg. fit score 66. Status: Closed. Recruiters: JL.

Each card shows the location as 'Manila On-site' and a 'View applicants' link. The user profile 'Olivia Dizon, Recruitment manager' is visible in the top right and sidebar.

Create Job Posting:

The screenshot shows the 'New job posting' form in the TalentFlow application. The sidebar is identical to the previous screen. The main area is titled 'New job posting' and includes a progress bar with four steps: Details (checked), Requirements (active), Team, and Review & publish. The form is divided into several sections:

- What should the AI look for?**: A text area for requirements.
- Must-have skills**: A list of skills including React, TypeScript, Git, and Responsive CSS.
- Nice-to-have skills**: A list of skills including Next.js, Testing (Jest), and Figma.
- Minimum experience**: A dropdown menu set to 'No experience needed'.
- Education**: A dropdown menu set to 'Currently enrolled — CS or related'.
- Scoring weight**: Three radio buttons for 'Skills first' (selected), 'Balanced', and 'Experience first'.
- Anything else? (optional)**: A text area for additional requirements.
- How scoring will work**: A section explaining the scoring system with a table:

Category	Score
Must-haves	55%
Nice-to-haves	15%
Experience	20%
Education	10%

The 'APPLICANT PREVIEW' section shows a preview of the job posting for 'Engineering Frontend Developer Intern' with location 'Taipei - Hybrid' and salary 'NT\$32k-38k / mo'. The skills listed are React, TypeScript, Git, and Responsive CSS. The user profile 'Olivia Dizon, Recruitment manager' is visible in the top right and sidebar.
